

### Environmental Practice

Crowe & Dunlevy’s Environmental Practice Group draws attorneys from three of the Firm’s departments: energy and natural resources, litigation, and business, providing our clients with access to a set of accomplished attorneys with a wide range of experience. The Group’s attorneys can facilitate transactions either by stepping in for discrete needs or by guiding the transaction from the outset, can navigate the client through regulatory channels, and can represent the client in any litigation context – administrative, civil or criminal. In addition, one is a founding member of the American College of Environmental Lawyers. Whatever the issue or forum, Crowe & Dunlevy’s environmental attorneys bring acknowledged integrity and experience to the regulatory table to help our clients achieve their goals.

### Quality service at Oklahoma rates

Crowe & Dunlevy clients benefit from high quality, efficient service at reasonable costs. We are sensitive to concerns about growing legal fees and we avoid the practice of staffing cases in a manner in which lawyers provide unnecessary services.

In May 2008, Forbes.com named Oklahoma City the "most recession-proof city" in the nation. In April 2009, Forbes.com named Tulsa the fifth "most livable city" in the nation, and Oklahoma City the sixth. We've known for a long time that Tulsa, Oklahoma City and Norman are the best kept secrets in the nation. Now it appears the rest of the nation is learning why it makes economic sense to do business in Oklahoma.

### Diversity

Crowe & Dunlevy is committed to diversity as a core value. We recognize that diversity is fundamental to our success, as well as the success of our clients, the communities we serve and our judicial system. Crowe & Dunlevy will continue to work to break down barriers to equal opportunity. We celebrate and value the perspectives and varied experiences that enrich a truly diverse workplace.

Crowe & Dunlevy strives to create an atmosphere in which each lawyer and staff person can grow and develop to his or her fullest potential. Crowe & Dunlevy knows that diversity fosters an environment for creative thinking, and innovative solutions to client problems. Diversity is essential to the success of its legal practice because it allows Crowe & Dunlevy to best serve its clients. Crowe & Dunlevy strives to be a model of diversity that others will follow

### Leadership in the community

The Crowe & Dunlevy Foundation was created in 1985 to provide financial support to a wide variety of deserving charitable and non-profit organizations. To date, over 500 arts, education, social services, healthcare and civic organizations have benefited from the Foundation's giving. In addition, our attorneys and professionals volunteer their time and talent, many holding board and other leadership positions.
