ATTORNEYS AND COUNSELORS AT LAW

## Healthcare Practice

Due to the national focus on healthcare access, the changing role of managed care and the increasing enforcement initiatives by federal agencies, health law has become one of the most dynamic and expanding areas of the law. The practice of health law requires familiarity with an increasingly diverse and complex array of substantive and regulatory matters as they relate to the delivery of healthcare services. Crowe & Dunlevy is able to address the changing needs of its healthcare clients by drawing upon the substantial experience of attorneys practicing in a variety of areas impacting the healthcare industry, in addition to those attorneys practicing health law on a substantially full-time basis. The Firm has established an active healthcare practice representing hospitals, physicians and physician groups, clinics, HMOs and other managed care groups, long-term care facilities, home health agencies, hospices, academic medical centers and other entities that provide healthcare services.

The Chair of our Healthcare Law Practice Group, Karen S. Rieger, has more than 25 years experience in the healthcare area, and has been listed in The Best Lawyers in America since 1991. The Chair of the Healthcare Litigation Practice Group, Kevin D. Gordon, also has 25 years of experience in healthcare litigation, and is listed in Best Lawyers of America under Health Law and Insurance Law. Both speak and write extensively on health law topics, and have served as adjunct professors of health law at the University of Oklahoma School of Law. Both are actively involved in healthcare organizations both on a state and national basis.

### U.S. News - Best Lawyers® “Best Law Firms”

U.S. News - Best Lawyers® “Best Law Firms” highly ranked Crowe & Dunlevy in its 2011 law firm rankings. The firm had the most first-tier rankings of any law firm in Oklahoma.

### Networks

Crowe & Dunlevy’s position in the regional and Oklahoma legal markets has led to our selection as the sole Oklahoma member of several networks of attorneys, helping us serve clients with needs throughout the United States and the world. These networks include Lex Mundi, State Law Resources, Employment Law Alliance and Res Loquitor.

### Quality service at Oklahoma rates

Crowe & Dunlevy clients benefit from high quality, efficient service at reasonable costs. We are sensitive to concerns about growing legal fees and we avoid the practice of staffing cases in a manner in which lawyers provide unnecessary services.

In May 2008, Forbes.com named Oklahoma City the “most recession-proof city” in the nation. In April 2009, Forbes.com named Tulsa the fifth “most livable city” in the nation, and Oklahoma City the sixth. We’ve known for a long time that Tulsa, Oklahoma City and Norman are the best kept secrets in the nation. Now it appears the rest of the nation is learning why it makes economic sense to do business in Oklahoma.

### Diversity

Crowe & Dunlevy is committed to diversity as a core value. We recognize that diversity is fundamental to our success, as well as the success of our clients, the communities we serve and our judicial system. Crowe & Dunlevy will continue to work to break down barriers to equal opportunity. We celebrate and value the perspectives and varied experiences that enrich a truly diverse workplace.

Crowe & Dunlevy strives to create an atmosphere in which each lawyer and staff person can grow and develop to his or her fullest potential. Crowe & Dunlevy knows that diversity fosters an environment for creative thinking, and innovative solutions to client problems. Diversity is essential to the success of its legal practice because it allows Crowe & Dunlevy to best serve its clients. Crowe & Dunlevy strives to be a model of diversity that others will follow.

### Leadership in the community

The Crowe & Dunlevy Foundation was created in 1985 to provide financial support to a wide variety of deserving charitable and non-profit organizations. To date, over 500 arts, education, social services, healthcare and civic organizations have benefited from the Foundation’s giving. In addition, our attorneys and professionals volunteer their time and talent, many holding board and other leadership positions.
