Networks

Crowe & Dunlevy’s position in the regional and Oklahoma legal markets has led to our selection as the sole Oklahoma member of several networks of attorneys, helping us serve clients with needs throughout the United States and the world. These networks include Lex Mundi, State Law Resources, Employment Law Alliance and Res Loquitor.

Quality service at Oklahoma rates

Crowe & Dunlevy clients benefit from high quality, efficient service at reasonable costs. We are sensitive to concerns about growing legal fees and we avoid the practice of staffing cases in a manner in which lawyers provide unnecessary services.

In May 2008, Forbes.com named Oklahoma City the “most recession-proof city” in the nation. In April 2009, Forbes.com named Tulsa the fifth “most livable city” in the nation, and Oklahoma City the sixth. We’ve known for a long time that Tulsa, Oklahoma City and Norman are the best kept secrets in the nation. Now it appears the rest of the nation is learning why it makes economic sense to do business in Oklahoma.

Diversity

Crowe & Dunlevy is committed to diversity as a core value. We recognize that diversity is fundamental to our success, as well as the success of our clients, the communities we serve and our judicial system. Crowe & Dunlevy will continue to work to break down barriers to equal opportunity. We celebrate and value the perspectives and varied experiences that enrich a truly diverse workplace.

Crowe & Dunlevy strives to create an atmosphere in which each lawyer and staff person can grow and develop to his or her fullest potential. Crowe & Dunlevy knows that diversity fosters an environment for creative thinking, and innovative solutions to client problems. Diversity is essential to the success of its legal practice because it allows Crowe & Dunlevy to best serve its clients. Crowe & Dunlevy strives to be a model of diversity that others will follow.

Leadership in the community

The Crowe & Dunlevy Foundation was created in 1985 to provide financial support to a wide variety of deserving charitable and non-profit organizations. To date, over 500 arts, education, social services, healthcare and civic organizations have benefited from the Foundation’s giving. In addition, our attorneys and professionals volunteer their time and talent, many holding board and other leadership positions.
